

National Institute of Autism (NAUTIS)

Therapeutic services provided in English language

Who we are?

National Institute of Autism (NAUTIS) is an NGO providing people on the autism spectrum, their families and other stakeholders involved with complex support including psychological, therapeutic, social and educational services, or leisure-time activities.

Services provided in English:

We offer therapeutic services for children and adolescents with ASD (without intellectual disabilities) from 7 to 18 years of age, and for their close relatives.

- Individual therapy for children or adolescents (50 minutes/ 600,- CZK)
- Individual therapy for close relatives (50 minutes/ 600,- CZK)

How can you contact us?

Please, do not hesitate to contact us for further information via terapie@nautis.cz.

Please, note that for a long-term individual therapy there is a waiting period (3-4 months).

The services are provided at: Na Truhlářce 24, 180 00 Prague 8.
